Date of NC Board Action: 09/10/2013

Type of NC Board Action: General Comments

Date: 09/13/2013

Directed To: City Council and Committees

Council File Number: 11-0923

**Brief Summary:** The Harbor Gateway North NC is opposed to murals on low-density residential properties (R1, R2, and R3) and therefore supports an opt-in process for new murals in such neighborhoods.

**Additional Information:** We oppose stream-lining the process, so that those living within a 500-foot radius are properly notified of any proposed mural. We ask for written support of two-thirds of those living within a 500-foot radius of the new mural and 60-day notice to the relevant Neighborhood Council.
