Re: Hawthorne Municipal Airport flight path

Dear Honorable Members of the Hawthorne City Council:

On September 11, 2018, our Board voted 9-0-0 to go on record with this letter regarding the increased aircraft noise that many of our stakeholders who live below the flight path of the Hawthorne Municipal Airport (HHR) are experiencing. Because all Districts of the Harbor Gateway North community are located in the flight path, we are concerned about the safety, noise, and pollution issues caused by the increasing commercial and private air traffic into your airport which is resulting from changes in the permitted flight path and larger size of aircraft using the airport. We have also received complaints about interference with residents' television signal reception and other electronics in their homes when the aircraft fly over.

Sincerely,

Pamela Thornton, Chairperson  
Harbor Gateway North Neighborhood Council
