3) StreetsLA report on the March 1 change in sweeping posted routes to every other week and how to sign up for notifications: Elis Lee from StreetsLA said that the Department had started with every other week street sweeping on posted streets as of March 1, due to the City's hiring freeze and many retirements. A street map with notification system is posted on their website for residents to sign up for notifications to be received twenty-four to forty-eight hours before scheduled sweeping on their block. Residents can also call 311 to sign up for notifications or to find out when sweeping will occur. Their plan is to keep this in place and when they have more staff they will be able to begin regular sweeping of streets which are not posted. In the meantime, for unposted streets residents can call 311 and request a one-time sweeping.

5) Revised HGNNC position letter on the proposed 7-Eleven store/gas station, 110 W. Imperial Highway, (ZA-2020-3944-CU-CPIOA; ENV-2020-3945-EAF) in District 7 – hearing on March 25:

At the December 8, 2020, Board meeting, the position of support recommended by the HGNNC Planning and Land Use Committee was not approved by the Board. Imperial Highway because of non-conformity with the goals of the Southeast LA Community Plan (auto-related uses, neighborhood serving uses, and impact of 24 hour operation) and with a listing of recommended conditions as drafted by the Planning and Land Use Committee. This motion failed 3-5(Lee, J. Mitchell, L. Mitchell, Rodriguez, Ward)- 4(Jacobs, Morrison, Powell, Springs).
