MOTION

The Harbor Gateway's geography is narrow and long, and bound by a north-south corridor, situated approximately between Vermont Avenue and Figueroa Street north of Interstate 405 (I-405), and Western and Normandie avenues south of I-405. The northern limit of the Gateway, Imperial Highway, is known to some as the "Shoestring Strip" and is city street just north of Interstate 105. The territory was acquired by the city of Los Angeles in a shoestring annexation, specifically to connect San Pedro, Wilmington, Harbor City and the Port of Los Angeles with the rest of the city.

As Harbor Gateway is bound by several freeways, there are several underpasses that dominate the landscape of the north-south corridor. These underpasses frequently experience lighting deficiencies, whether that be single lighting outages or copper wire theft, which can be a safety issue for pedestrians and vehicles. Underpasses that currently have lighting deficiencies include:

- 182nd Street and the 110 Freeway
- Gardena Boulevard and the 110 Freeway
- Alondra Boulevard and the 110 Freeway
- Main Street and the 105 Freeway
- San Pedro Street and the 105 Freeway
- Figueroa Boulevard and the 91 Freeway

Underpasses provide a particular challenge and a unique opportunity to invest in sustainable, creative alternatives to traditional lighting. Examples of these solutions include artistic or colored LED lights installed for underpasses in cities across the United States. In order to increase community safety as well as ensure that city services are being delivered to the Harbor Gateway, the City should explore immediate and long term plans to help keep the lights on for these areas.

I THEREFORE MOVE that the City Council instruct the Bureau of Street Lighting, in coordination with the City Administrative Officer, to report to the Council with a staffing plan and identified funding to combat lighting deficiencies for the underpasses listed above, as well as any remaining underpasses prone to lighting deficiencies in the Harbor Gateway area.

I FURTHER MOVE that the City Council instruct the Bureau of Street Lighting to report back on creative solutions to lighting deficiencies related to underpasses, and for the potential to pilot artistic lighting solutions in the Harbor Gateway area.

MOTION

In September 2022, after a two and a half year pause due to the pandemic, the City resumed its Speed Hump Program (Program). Designed to slow traffic and deter reckless driving in residential neighborhoods, the Program allows residents, neighborhood organizations, schools, and other groups or individuals to apply for a speed hump to be installed on a residential street.

While the Program is popular, only a finite number of speed humps can be constructed across the City due to limited funding. Each application cycle closes when a total of 375 applications have been received. According to the Department of Transportation, the 2022 application cycle reached capacity within minutes of opening.

The application process is rigorous and time consuming, and selected applications are prioritized based on technical feasibility and need. Since the Program began, competition among neighborhoods has increased. Additionally, there is growing interest from elementary schools that would like to utilize this critical traffic safety tool.

To ensure the safety of children and the surrounding school communities, the City should establish a dedicated speed hump program for elementary schools.

I THEREFORE MOVE that the Department of Transportation report on the feasibility of establishing a dedicated speed hump program for elementary schools, including the required funding and staffing resources and a timeline for execution.

Harbor Gateway North Neighborhood Board Meeting

Tuesday, March 14, 2023

Held via Zoom webinar

Present: Miguel Vazquez (Chairperson), Joan Jacobs (Vice Chairperson), Rosalie Preston (Secretary), Keith Pitts (District 1), Julia Esqueda Arteaga (District 2), Arvie Powell (District 4), Jodette Spann (District 5), William Yates (District 8), Jackie Jackson (Community Organization Representative), Richard Lee (Youth Advocate), and Craig Kusunoki (At-large Representative)

The meeting began at 6:39 p.m. with the Reports, as a quorum of Board members was not yet present.

3) Reports

a) Council District 15: Harbor Gateway Field Deputy Nicholas Chavez was not able to be present due to a family emergency. He had asked Miguel Vazquez to thank the HGNNC stakeholders for attending the March 11 Town Hall presented by Councilmember Tim McOsker where a lot of community concerns were expressed.

b) Mayor's Office: Joycelyn Dominguez said that Mayor Bass' Inside Safe initiative has reached out to eleven sites around the City, with over 500 individuals being housed and 20 of those in permanent housing. Inside Safe is targeting large encampments where individuals are in crisis. 115th and Hoover was the site of an Inside Safe encampment clean up where 54 individuals were moved into housing. For any issues with the homeless email Joycelyn and also Nicholas Chavez. Last week was MyLA311 week, with March 11 being 311 Day. New tenant protections have been put into place. Landlords must provide legal reasons for proposed evictions and an eviction cannot occur unless the rent is more than a market rate rent. There are relocation funds and assistance for those who owe ten months of back rent and are being evicted for that reason. Joycelyn was asked if the Mayor's office is aware that many of the RVs parked on public streets are being rented to the homeless and she said that they are aware of the situation.

1) Call to order and roll call of Board members: At 6:54 p.m. Chair Miguel Vazquez determined that a quorum of Board members was present and roll call was conducted, which verified the quorum.

2) General public comment on non-agenda items that are within the Board's jurisdiction: There was none.

3) Reports

c) Los Angeles County Supervisor, 2nd District: Ara An said that she will now be representing Gardena, Hawthorne, and other areas, with Robert Jackson assigned to the Harbor Gateway North area. April Johnson will cover the Harbor Gateway South area. Robert introduced himself and said that he will also cover the Watts, Willowbrook, and West Athens areas. There is \$54 million in Equity Opportunity Grants under the American Rescue Plan available for those small businesses who were impacted by COVID, with a May 20 deadline to apply: <https://eog.smallbiz.org> LA County is now covering the costs of doula services to assist with births. The Board of Supervisors has voted to have an independent third-party review of the Los Angeles County budget process and expansion of the Board of Supervisors, which would

include allowing virtual public comment to continue. L.A. County's Fair Chance Hiring Program is seeking 200 business who have at least five employees and which will consider hiring those formerly incarcerated. Los Angeles County Board of Supervisors is investigating the sharp increase in natural gas prices. Supervisor Mitchell's Racial Justice Learning Exchange discussions are continuing, with the next one March 21 from 4-7 p.m. with the topic "Pride in Place." District 4 Representative Arvie Powell asked about follow up from an email she sent Ara and Robert regarding trash and tumbleweeds around the fencing perimeter of the Phillips 66 facility, 13707 S. Broadway, just to the east of her area, which is creating a potential fire hazard. She contacted the Phillips 66 community relations person but has not seen any action taken.

d) Department of Neighborhood Empowerment: Neighborhood Council Advocate Freddy Cupen-Ames encouraged the HGNNC to advertise their Neighborhood Council election so that many stakeholders come out to vote on April 1. He is also working with his assigned Neighborhood Councils to secure in-person meeting locations for April, something the HGNNC has already done. He noted that Raquel Beltran, the former General Manager of the Department of Neighborhood Empowerment, has left and now Vanessa Serrano is the interim General Manager.

4) Appointment of up to nine members of the Ad Hoc Environmental Justice Committee, with no more than four Board members: Three Board members and two stakeholders had expressed interest via email in being on the committee. No one else asked to be appointed at the meeting. Therefore, it was moved by Rosalie Preston, seconded by Keith Pitts, and passed 11-0-0 to appoint Joan Jacobs, Arvie Powell, Miguel Vazquez, Nita Stonehocker, and Lu Watson to the Committee.

5) Approval of \$400 as payment for two Zoom licenses for the Neighborhood Council for the next 12 months: The HGNNC Zoom license will expire at the end of March. Up to this point it has been paid for by the Department of Neighborhood Empowerment, but now each Neighborhood Council must pay for their own license. The HGNNC is not yet ready to hold hybrid meetings so that stakeholders can attend via Zoom, but expects to be able to do so later this year. As of March 29, all Board members and Committee members will be required to meet in person. SB 411, which would amend the Brown Act to allow Neighborhood Council Boards and Committees to meet via teleconferencing (Zoom) is still in Committee. It would be helpful to have two licenses so that another Board member could assist the Chair in setting up meetings and hosting them; currently seven Neighborhood Councils have two Zoom licenses. Freddy Cupen-Ames pointed out that he can be an alternate host, if available. A motion was made to approve the two Zoom licenses but then withdrawn after some discussion. Instead Joan Jacobs made the motion, Arvie Powell seconded the motion, and it was passed 9-0-0 to approve payment for one Zoom license for the next 12 months at a cost of \$200.

6) Approval of Board and Committee meeting formats after March 29: in-person only, in person/teleconferencing for the public, or in-person/teleconferencing for Board and public: Freddy Cupen-Ames reviewed the possible options for meetings after March 29 per AB 2449: 1) teleconferencing (Zoom) with the Board in person and stakeholders in person or virtual, 2) in-person only, with some Board members allowed attendance at a few meetings virtually for just cause reasons, or 3) in-person only. To hold meetings with teleconferencing for stakeholders requires the proper equipment, which the HGNNC does not have in place yet. These would include a laptop, camera, speakers, mic, and wi fi access with adequate bandwidth. If there is a technical disruption of the teleconferenced meeting, then the meeting must stop until the disruption issue is resolved. The same would apply to a disruptive individual. The various options were reviewed at the February 23 and February 25 DONE workshops and the recordings

are now posted on the EmpowerLA website. Freddy noted that DONE cannot assist with figuring out the technology needed and how to set it up, so a Neighborhood Council might need to hire a vendor to help with that. It was moved by Rosalie Preston, seconded by Joan Jacobs, and passed 11-0-0 to hold the HGNNC Board and Committee meetings in person until such time as the technical aspects of offering teleconferencing for stakeholders is worked out.

7) Outreach events:

a) 2023 Board election – in person voting on April 1: Voting at Home Assembly Church, 13515 S. Figueroa Street, will be held from 10 a.m. to 4 p.m. A free shred van will be on site from 10 a.m. to 2 p.m.

b) Report on February 25 Black History Month program at Rosecrans Recreation Center: In spite of heavy rain, there was good attendance for the program which featured poetry reading, song, a fashion show, and the honoring of retiring Senior Lead Officer Angela Stewart for his 31 years of service to LAPD. The City's Reparations Advisory Commission had a table and also had information about L.A. REPAIR. Councilmember Tim McOsker and his wife Connie stopped by, as well as CD 15 Field Deputy Nicholas Chavez.

c) Neighborhood Team Program online – monthly classes continue (April 6): The Zoom classes are continuing once a month. Once the classes conclude, the Neighborhood Council may organize a mock drill to test out readiness for a major disaster and a response block-by-block. The NTP also offers mock drills and other training at locations around the City.

8) Administrative motions

a) February 14, 2023, Board minutes: It was moved by Joan Jacobs, seconded by Keith Pitts, and passed 11-0-0 to approve the minutes.

b) February 2023 Monthly Expenditure Report: Treasurer Piers Fairclough was not present. Secretary Rosalie Preston screen-shared the Report, which showed It was moved by Jodette Spann, seconded by Keith Pitts, and passed 9-0-0 to approve the January 2023 MER.

c) Consideration of up to \$500 to support a Health Fair at Home Assembly Church on April 1: Barbara Tyson-Frazier, Chair of the Homeless Issues Committee, said that she would like to have a health fair set up at the Home Assembly Church on the day of the HGNNC in-person voting for the Board election as a way to attract more voters, specifically the homeless and work on building relationships with outside service agencies serving the homeless. She has contacted Kedren. The Red Cross has said they can set up a table. Angela Springs is working on getting a letter of support from Home Assembly Church, which must be submitted with the Funding Request. Chair Miguel Vazquez was asked if he had contacted UCLA for their homeless health services van, but he said that he had not been given enough advance notice as they require at least one to two months to schedule. Barbara said that the funds would be used for refreshments and flyers. Rosalie pointed out that a detailed budget had not been prepared yet, the letter agreeing to use of Home Assembly had not been received, and that the City Clerk Funding asks for at least thirty day notice to review proposed events. Also, with the shred van already committed and the need to have adequate parking for voters coming to the voting site, there really would not be room for a health fair set up at that site on that date. It was moved by Rosalie Preston, seconded by Joan Jacobs, and passed 11-0-0 to table a vote on the issue so that a date in May or June could be considered.

(Jodette Spann left the meeting at 8:37 p.m.)

d) Consideration of \$200 to support hot dogs, chips, beverages, and fruit snacks for children attending the Spring Egg Hunt from 11 am to 2 pm at Rosecrans Recreation Center on Sat. April 1: It was moved by Rosalie Preston, seconded by Keith Pitts, and passed 8-0-0 to support refreshments for the Spring Egg Hunt at Rosecrans Recreation Center.

8) Board business/announcements:

a) Reports from Committee Chairs: There were no reports.

b) Brief announcements from Board members: District 4 Representative Arvie Powell said that LADOT has approved installation of a traffic signal on Rosecrans Blvd. at Menlo Avenue, though funding still needs to be secured.

Secretary Rosalie Preston said that the HGNNC City budget recommendation letter will be on the April 11 Board agenda and to start sending in items to include in it.

Chair Miguel Vazquez reported that U.S. Attorney Amanda Bettinelli has emailed that in response to the HGNNC letter to her on major illegal dumping sites, the City will be doing phased clean ups of these locations. She also asked for a list of sites in the Council District 8 area of the HGNNC District 6.

9) Adjournment: The meeting was adjourned at 8:43 p.m.

Billing for other service providers:

This invoice may contain charges for other telephone service providers including long distance companies and information service providers.

When to pay your bill:

Your payment is due by the due date on the bill, which is thirty days from the invoice date. If we don't receive payment by the Due Date indicated on your bill, your account will become past due.

Late payment charge:

Attention Customers:

A late payment charge of 1.5% per month will be assessed on outstanding charges not paid within sixty days of the date the invoice was mailed. The amount of the late payment charge shall be the amount set forth in Government Code Section 926.17. The late payment charge does not relieve you of the obligation to pay the total amount due prior to the Late Payment Date. The Late Payment Date will be at least 60 days from the mail date of your invoice.

Questions about your bill:

If you have questions about your bill or have a dispute about a specific charge, please call your Service Representative at the number shown on your bill. If you are not satisfied after receiving an explanation, ask to speak with a manager. AT&T will investigate and notify you with the results.

If you still disagree:

- You first must pay the undisputed amount to AT&T by the Due date found on the invoice.
- You must file a claim with the California Public Utilities Commission (CPUC) within 7 calendar days after we have notified you of the results of our investigation. This will avoid the possible interruption of your service.

To file a claim with the CPUC:

- You must send an explanation of your claim and a check for the disputed amount to the CPUC to be held as a deposit.
- The CPUC only accepts deposits for matters which relate to the accuracy of the bill.
- The CPUC will review your claim and distribute the funds based on investigation.

The addresses of the CPUC are:

(In Northern California) CPUC, Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102

(In Southern California) CPUC, State Office-Rm. 5109, 107 South Broadway, Los Angeles, CA 90012
